

# Join the PTA!

It is a New Year and time for new resolutions. Please consider getting more involved in your child's school by joining and/or becoming involved with PTA. There are many upcoming programs that still need volunteers. Please feel free to contact me for more information. Your membership helps to fund the many programs and supplies that the PTA provides for our school such as library books, cultural programs, technology, core curriculum enrichment and teacher support, health & safety, kazoos and recorders, scholarships, and much, much more. Our goal is 100% membership – we are still only at 93% as of January 2010.

Please help us reach our goal by completing the form below and return to the school office.

Thanks,
