

After-School Tutoring and Remediation

Beginning September 19, 2011 and running through May 31, 2012 we will offer students after-school remedial help in preparation for SOL testing. Any student who has not been successful with an End-of-Course SOL test, or who needs further assistance in specific skills/content necessary to pass SOL tests, is urged to attend.

Below is the weekly schedule for this program. All sessions will run from 3:30 P.M. to 4:30 P.M. with the exception of our World Geography, World History I and World History II session, which will run from 7:30 A.M. to 8:15 A.M. on Monday mornings. After-school remediation will not be offered on days that school is not in session (teacher workdays, etc.).
