

Attention All Students: Please be aware students may not be in the building, unsupervised after the school day ends. This includes student groups and individuals. The only groups or individuals who may stay are those working with a member of the staff. **Teachers Reminder:** please check for dress-code violations. **Tardy or Skipping** will cost you your privilege to drive to school, park on school grounds and/or Saturday School. Administration would like to remind you that it is a privilege to eat outside of the cafeteria area during lunches. Please pick up **ALL** of your trash outside to prevent the loss of this privilege. Attention students: **Daily announcements** are read each day at the beginning of the 1st block of the day, posted on HVHS Web page and Classroom TVs on Channel 11. **Reminder to all student drivers:** students must purchase & display a parking permit. Ticketing of violators and the assignment of consequences has begun. **Attention ALL drivers:** reminder, if you drive a vehicle that does not have a sticker on it, you need to sign in on the clipboard in the front office - this is a temporary sign in. **Attention Bus Riders:** you may **NOT** ride a different bus unless you have a note signed by your parent and approved by an administrator prior to the afternoon dismissal! **After school detention** held on "A" days in room 123 with Ms Waggoner & on "B" days in room 121 with Dr. Spence. (9/6-7) **NEW CELL PHONE POLICY:** the School Board passed the policy that allows students to use their cell phones before school, after school and in the commons during all lunches. Cell phones are absolutely not to be used during class time which includes study halls. All phones must be silent at all times within the building. Teachers are asked to maintain the same discipline we currently have in place for those who use a phone in the classroom or if their phone is a distraction to the classroom. Students can only have their phones out in the classroom with teacher approval. **Please be reminded** that this is a "pilot" program and if the administration feels like the student body is not following the policy - this privilege will be taken away. It is expected that you will learn to use appropriate cell phone etiquette while at HVHS. Students are **NOT** allowed to use their cell phone in the **hallways** during their breaks, as this is still considered instructional time.

Looking for volunteer hours over the summer? Go online to commonwealthgames.org or stop by the career center for an application. Even though the Commonwealth Games do not happen until July, you can volunteer as early as May.
