Please add these dates to your calendar. There are 12 meetings scheduled for the entire year. Each will begin @ 7:45am in the Lecture Hall. These meetings are very important to your growth as a Natural Helper. We will be getting to know one another and do additional training during this time. The more you practice the skills through activities and role-plays; the more comfortable you will be with the process. If for any reason you can not make a meeting, please see us.

Sign and return the bottom portion to Mrs. Childress or Ms. Bruno

I have received the Natural Helper Meeting schedule and will attend all meetings unless excused by Mrs. Childress or Ms. Bruno.
